Other Fees

Application Fee

Due to the level of attention required to process and verify information presented in vendor applications, a non-refundable \$15 fee must accompany all applications for all vendors. Vendors may pay this fee in Marketspread at the time of application. PFM must receive this fee prior to reviewing the application. This is the only fee vendors will pay through Marketspread. All other payments will happen through the PFM accounting department.

Membership Fee

An annual membership fee of \$37 will be charged to all accepted PFM vendors.

Late Reporting Fee

Vendors paying a percentage of their sales are expected to report their sales weekly and will be charged a \$25 late fee if all sales are not submitted by the end of the month.

Late Payment Fee

A late payment fee of \$25 will be charged 31 days after the date an invoice is issued and every 30 days until full payment is received.

Returned Check Policy

Checks or ACH transactions returned for insufficient funds will be charged a \$25 fee. Vendors will not be able to attend the market until the matter is resolved.

Consequences for delinquent accounts

- Vendors with invoices over 60+ days are subject to suspension from markets until the invoice(s) are paid in full.
- Percentage-paying vendors with sales reporting 60+ days late are subject to suspension from markets until the sales data is reported in full.
- Vendors with unpaid fees due at the end of the season will not be allowed to return the following year.
