Portland Farmers Market (PFM) provides outstanding opportunities for businesses to connect with the Portland community in a meaningful way. Frequently ranked in the world's top ten best farmers markets, PFM offers an association with a well-respected organization working tirelessly to support family farmers and food artisans while promoting healthy lifestyles for our community.

Without a doubt, one of the top foodie experiences in Portland includes a visit to PFM, where local farmers and ranchers, cheese makers, bakers, flower growers, food artisans and craft beverage producers all come together to create a vibrant marketplace experience featuring the freshest of the Pacific Northwest.

PFM operates five farmers markets in the Portland Metro area, connecting farmers and vendors with shoppers throughout the city. Our flagship market at Portland State University (PSU) enjoys an average of 7,800 customers weekly, with as many as 10,000 on a summer day.

We welcome special exhibitors (single-day or limited engagement) that complement our vendor mix, enhance the overall shopper experience and align with the values of PFM.

In exchange, we offer an unparalleled opportunity for face-to-face engagement, product sampling and lead generation for brands/businesses seeking to connect with our audience.

Let's discuss and see if we're a good fit!
